Religion: Official: [Islam](#) ([Shia](#)), Other recognized religions: Christianity, Judaism, Zoroastrianism

[GDP \(PPP\)](#) 2017 estimate • Total \$1.551 trillion^[7] ([18th](#))

Yazd, a UNESCO World Heritage City

Yazd, a UNESCO World Heritage City

- ❖ Yazd is now the only UNESCO-listed Iranian city where people still live.
- ❖ It is also believed to be the world's largest inhabited adobe city.
- ❖ The city is known for its adobe architecture, Zoroastrian fire temples and tall structures known as Badgirs, or wind-catchers, which in ancient times functioned as natural ventilation in large buildings.
- ❖ With 22 world heritage sites, Iran is ranked first in the Middle East and eleventh worldwide.

Technologies and Industries in Yazd

- ❖ Textiles industry
- ❖ Ceramics and construction materials
- ❖ Steel industry
- ❖ Mining industry
- ❖ Confectionaries and chocolate
- ❖ Jewelry and metal works
- ❖ Information technology
- ❖ Smart technology (the first iranian smart city)
- ❖ Tourism industry and Eco-Tourism
- ❖ Knowledge-based companies

Yazd University Overview

Yazd University (YU) was founded in 1989 with one single field of study and 40 students.

Now the university runs different fields of study including 62 Bachelor, 108 Master and 48 PhD disciplines within 46 academic programs.

Departments

Yazd University's Education

Engineering

Science

Humanities

Art & Architecture

Natural Resources

Campus Mehriz Campus
(For Applied short-term Education)

Azadi Campus
(For YU International Research
Centers and Educations)

Departments

Engineering

Computer Engineering
Mining & Metallurgical Engineering
Electrical Engineering
Mechanical Engineering
Civil Engineering
Industrial Engineering
Textile Engineering
Chemical and Polymer Engineering

Science

Physics
Mathematics
Chemistry
Geology
Biology

Humanities

Law & Political Sciences
Economics, Management & Accounting
Geography
Social Sciences

International Students and Exchanges

International Student Admission:

International student can apply for degrees offered by Yazd University's Online Application System by sending their inquiries to the following address and asking about the requirements:

<http://admission.yazd.ac.ir/apply>.

Accommodation: a specific dormitory is allocated for visiting scholars (separately for males and females).

Information about rates and availability can be obtained by contacting at the following email address: isco@yazd.ac.ir

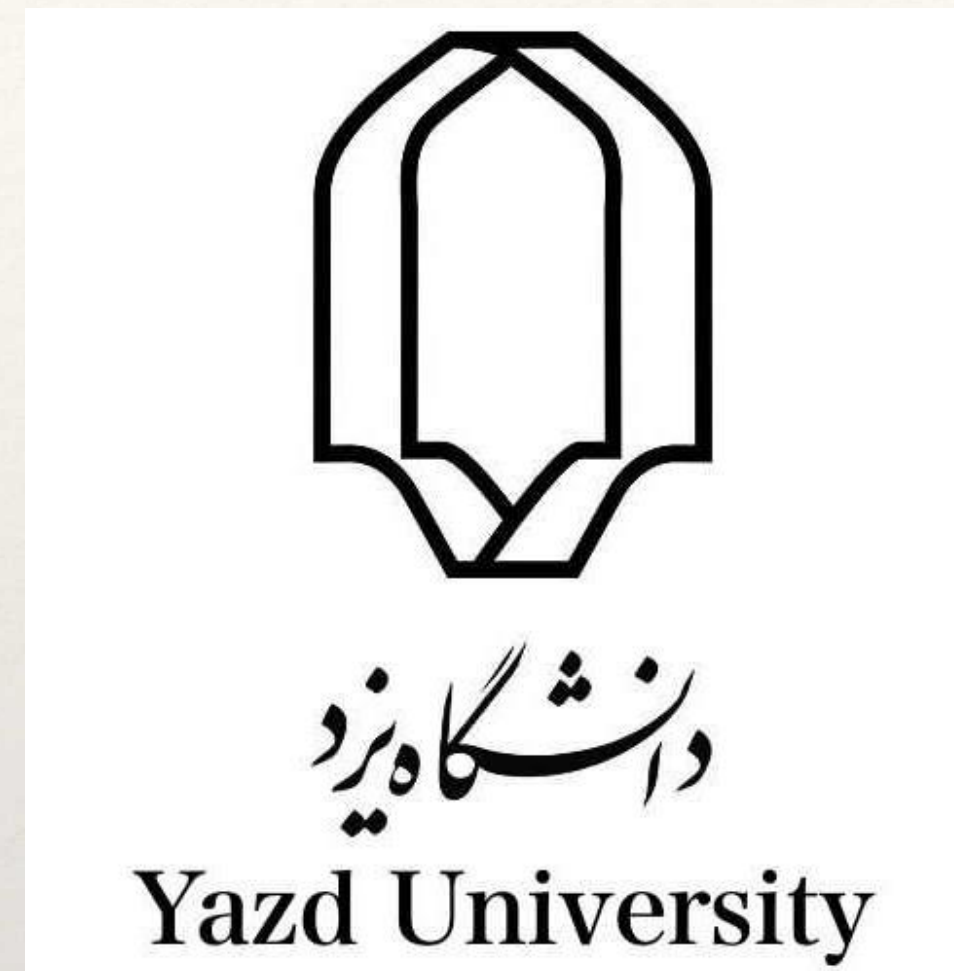

Yazd University Outlook

Based upon National and International University Ranking:

- ❖ YU among the top 8 universities in Iran based on the results of the ISC-2020 world ranking system
- ❖ YU among the first 800+ top universities of the world (QS)
- ❖ YU among the first 200 topmost young universities in the world (THE)
- ❖ YU among the first 13 top universities of Iran (National University Ranking)
- ❖ YU among the first 12 top non-medical universities of Iran (URAP)
- ❖ Yazd University's Scientists among the top one percent of the world (THOMSON REUTERS)

Iran-Hungary Scientific Cooperation

Yazd University is National Leading House of Iran-Hungary Scientific Cooperation.

Yazd University's Honors

- ❖ More than 60% of YU's alumni are accepted into higher education levels
- ❖ Innovations in the field of biotechnological products
- ❖ Publication of more than 200 book titles and translations, as well as 11 journal titles each year, along with the publication of about 6000 articles in reputable domestic and international journals
- ❖ Establishing the first Persian Search Engine, Parsijoo
- ❖ Top rankings achieved for attracting international students
- ❖ Notable achievements in national and international Olympiads, festivals, and conferences
- ❖ Selection of two dormitories at Yazd University as superior dormitories of Iran
- ❖ Ranking promotion from 23 in 2014 to 10 in 2016 in sport Olympiad
- ❖ Iranian Watershed Management Association Office

Research Centers

Research Centers

YU has distinguished research centers focusing on different disciplines which are listed as follows:

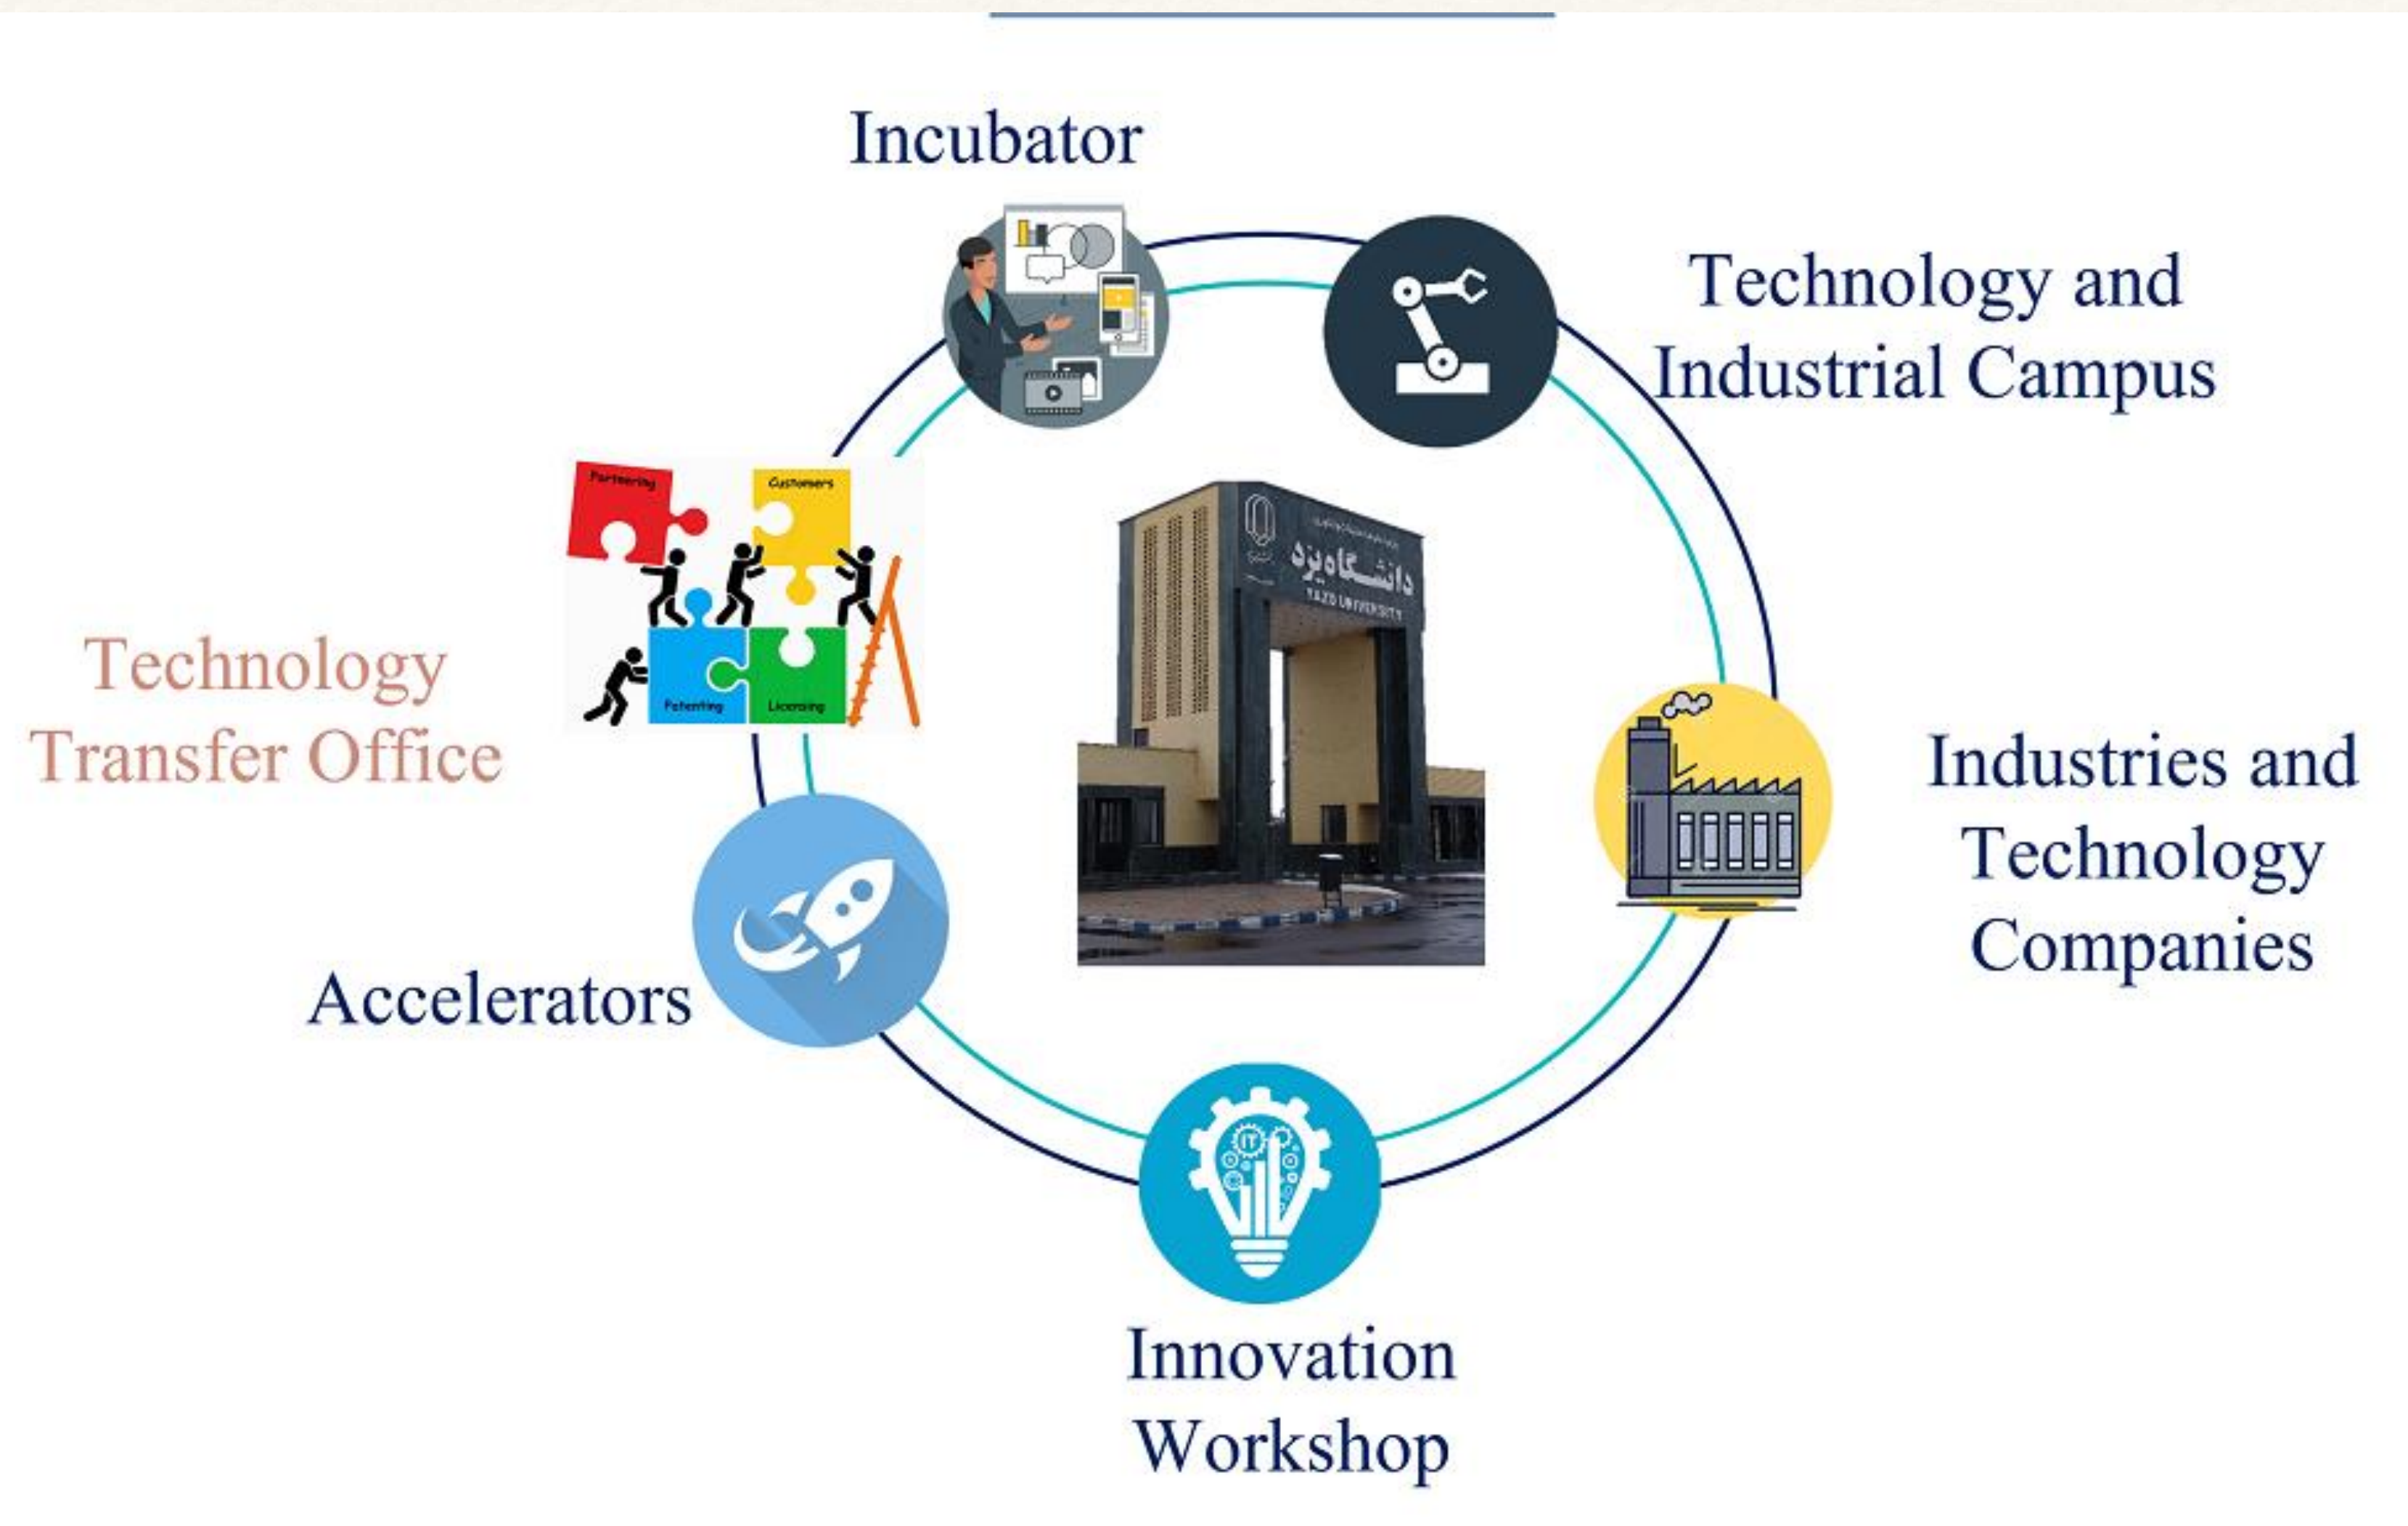

- ❖ Engineering & Applied Science Research Center (EASRC)
- ❖ Desert and Dry land Research Institute (DDRI)
- ❖ Vernacular Architecture Research Center (VARC)
- ❖ Intelligent Systems Research Center (ISRC)
- ❖ Mining Engineering Research Center (MERC)
- ❖ Social Cooperative Research Center (SCRC)
- ❖ Humanities Research Center (HRC)
- ❖ International Wind Tower Research Center (IWTRC)
- ❖ Quality and Productivity in Substructure Research Center (QPSRC)
- ❖ Science and Technology Research Center (STRC)
- ❖ Ceramic Tiles Research Center (CTRC)
- ❖ Sustainable Transportation Research Center (STRC)
- ❖ Renewable Energy Research Center (RERC)
- ❖ Social Welfare Research Center (SWRC)

Yazd University's Objectives

- ❖ Moral excellence, social and cultural academics based on values
- ❖ Promotion of regional, national, and international rankings
- ❖ Enhancing the contribution of science and technology in higher education in Yazd
- ❖ Playing a pivotal role in the development of Yazd province
- ❖ Achieving sustainable financial resources
- ❖ Realization of agile and efficient organizational structure
- ❖ About 30000 alumni students with Bachelor, 8000 alumni students with Master's degrees, and 220 alumni students with Ph.D.s
- ❖ Holding approximately 60 national and international conferences
- ❖ About 100 patents of invention
- ❖ Setting up approximately 360 research projects inside and outside the university

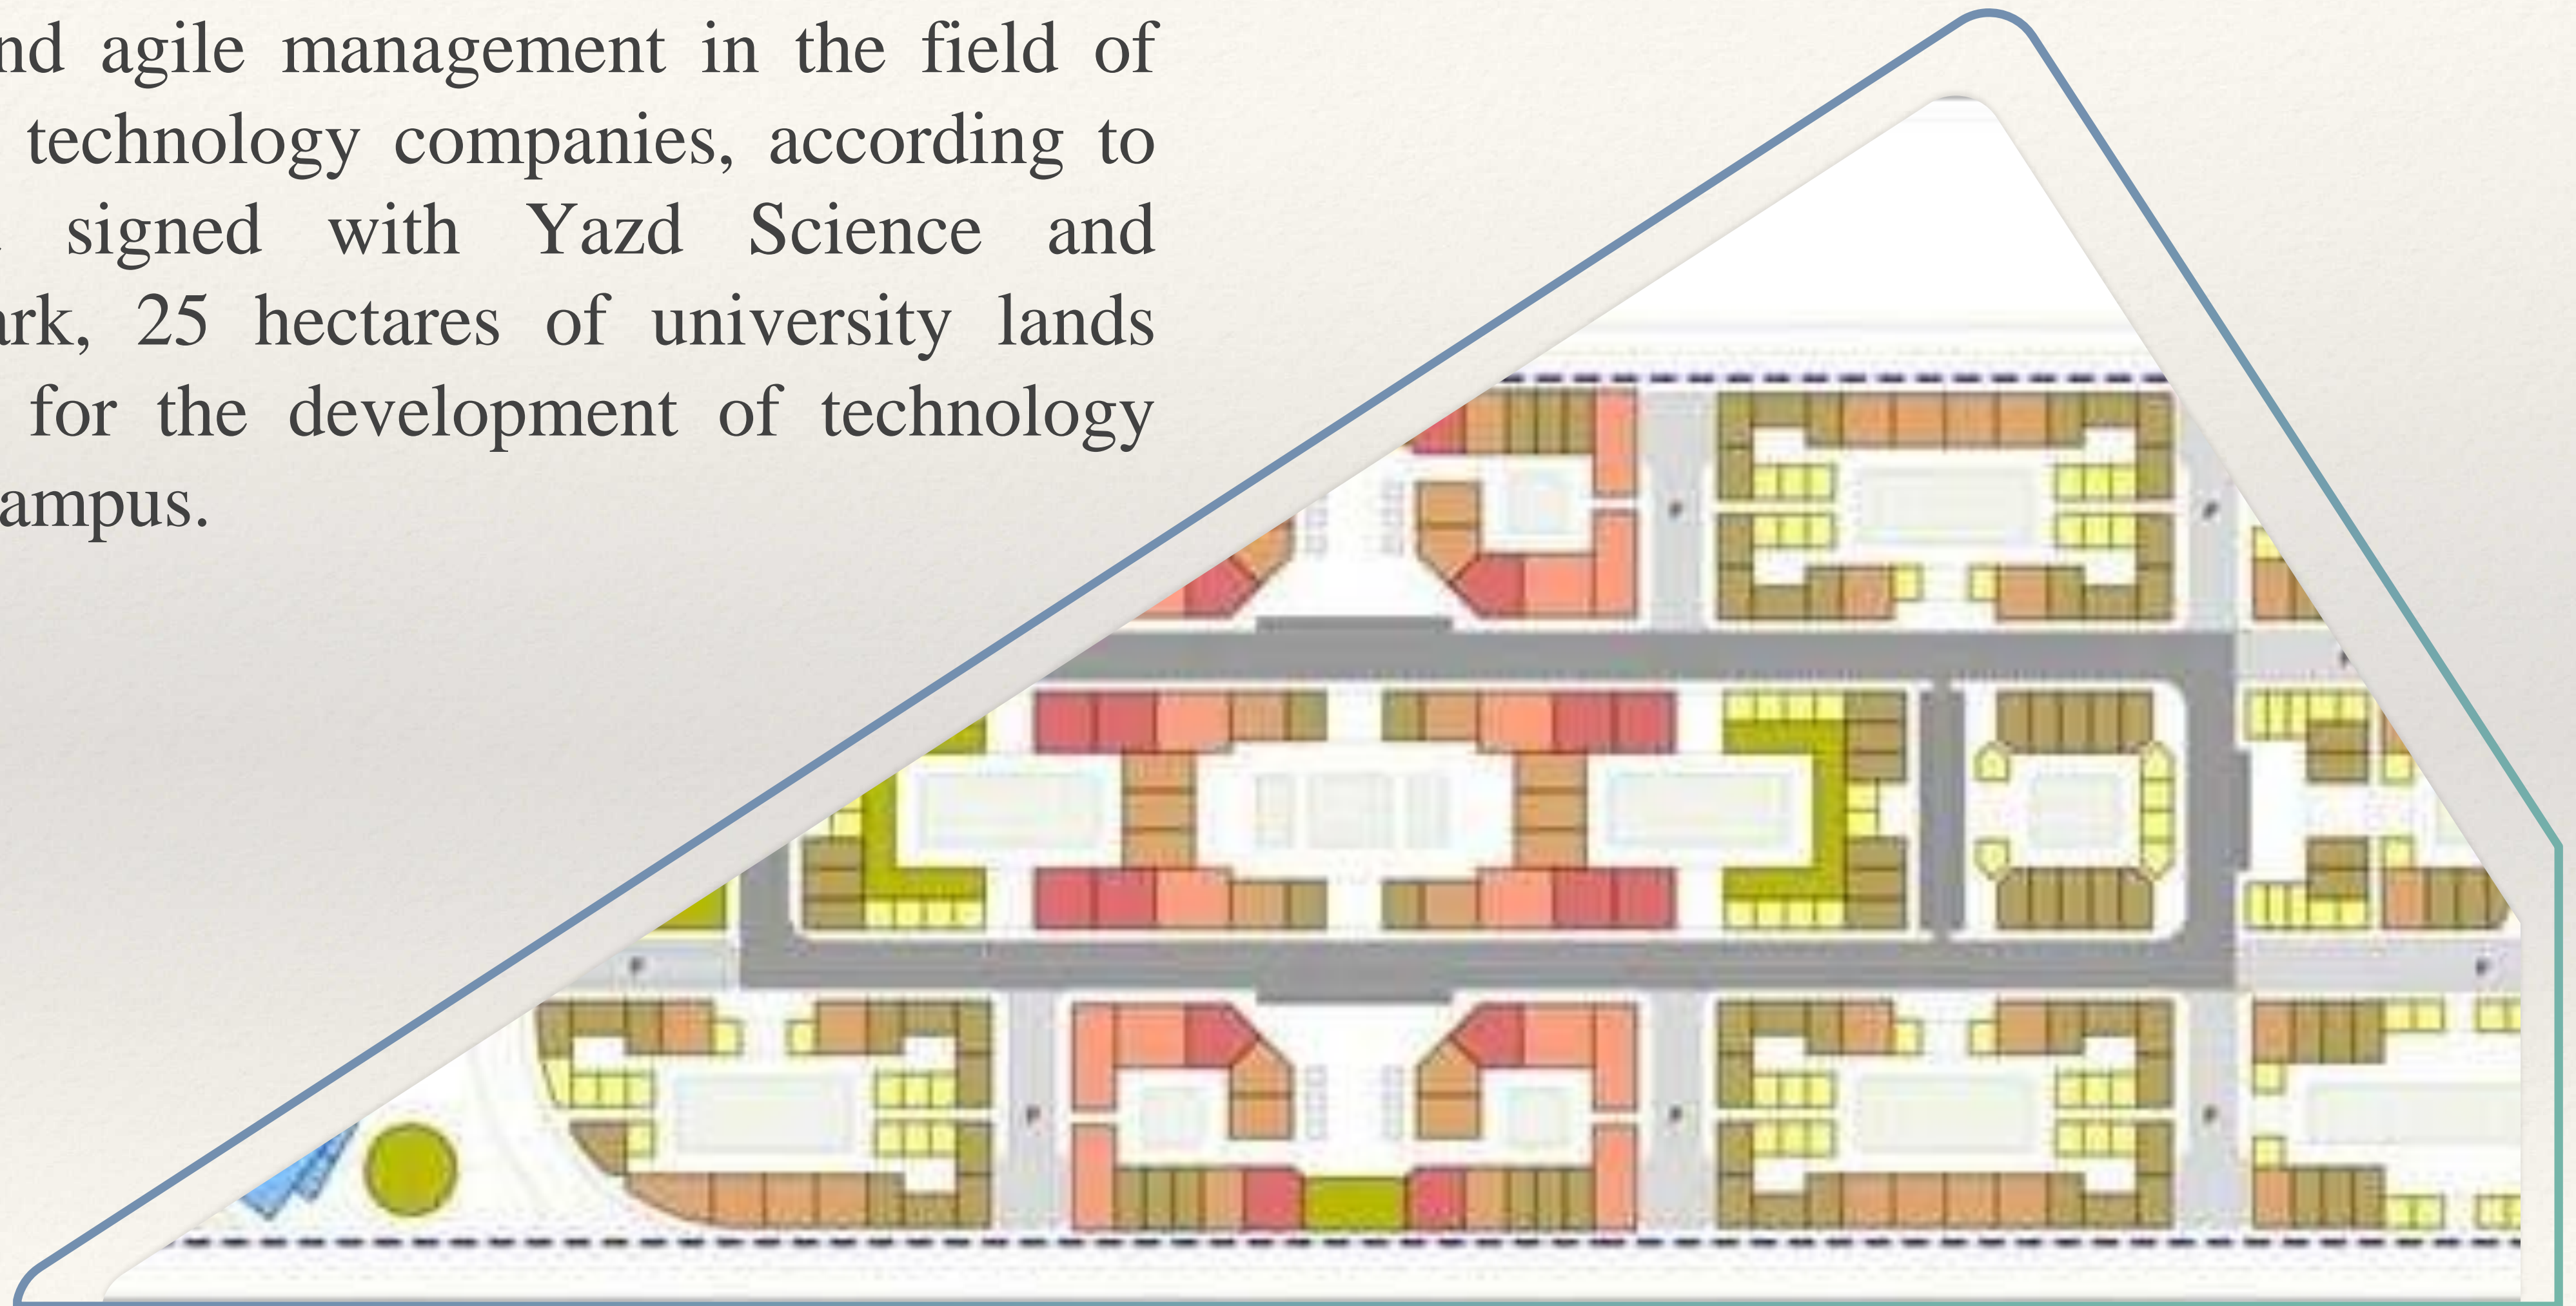

Research and Technology Ecosystem

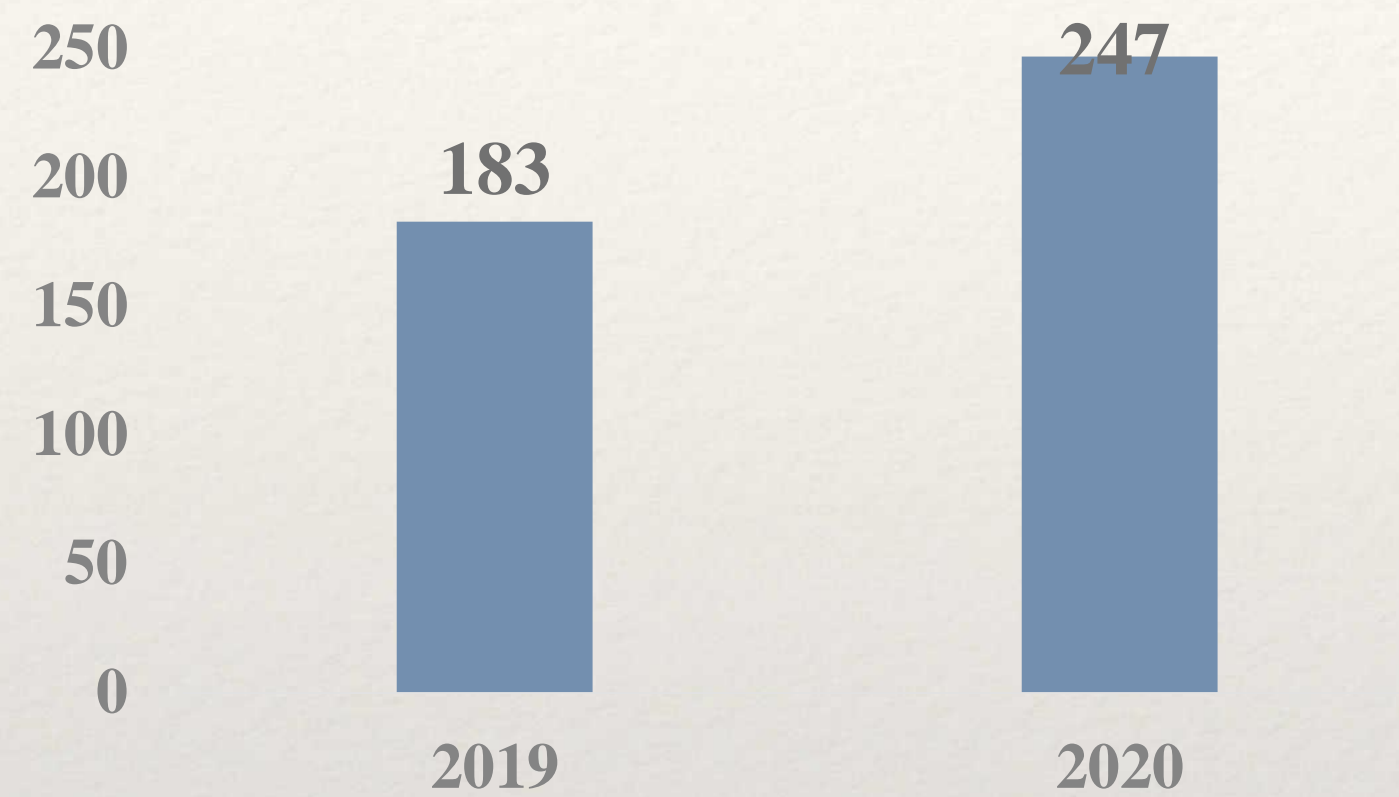

Establishment of Technology and Industry Campus

For efficient and agile management in the field of innovation and technology companies, according to the agreement signed with Yazd Science and Technology Park, 25 hectares of university lands were allocated for the development of technology and industrial campus.

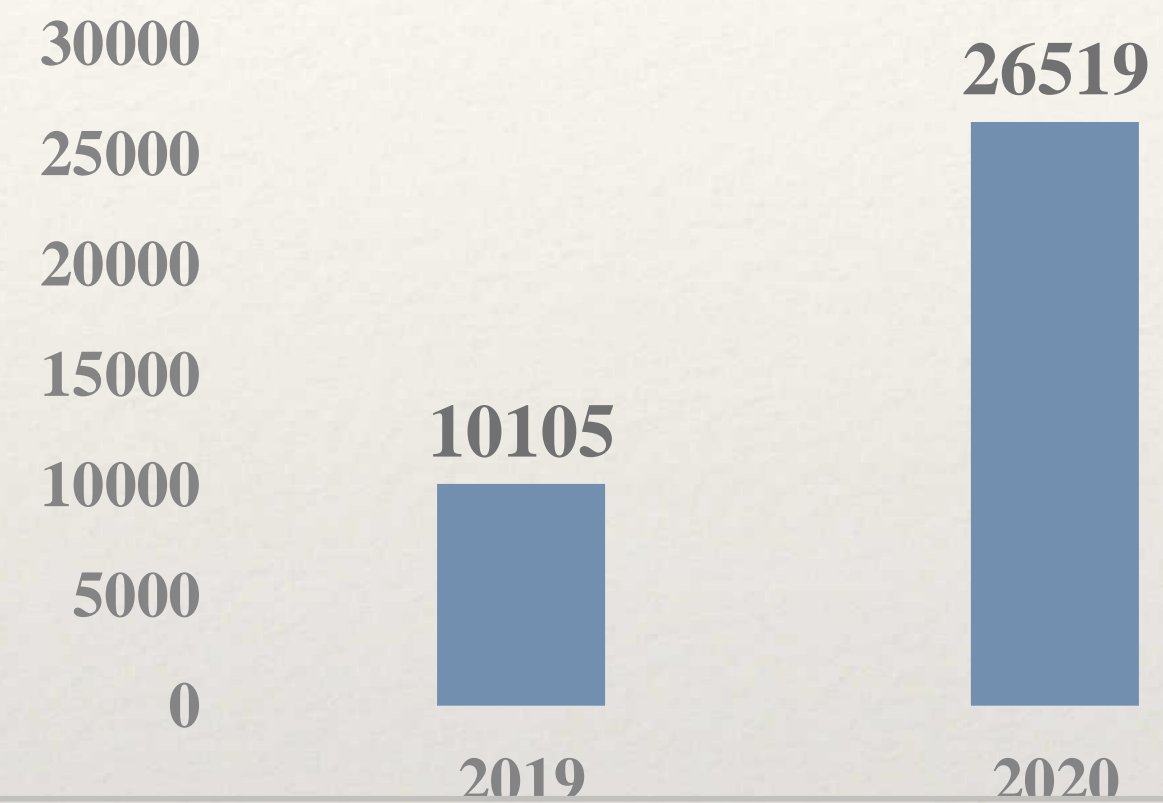

Cooperation With Society and Industry

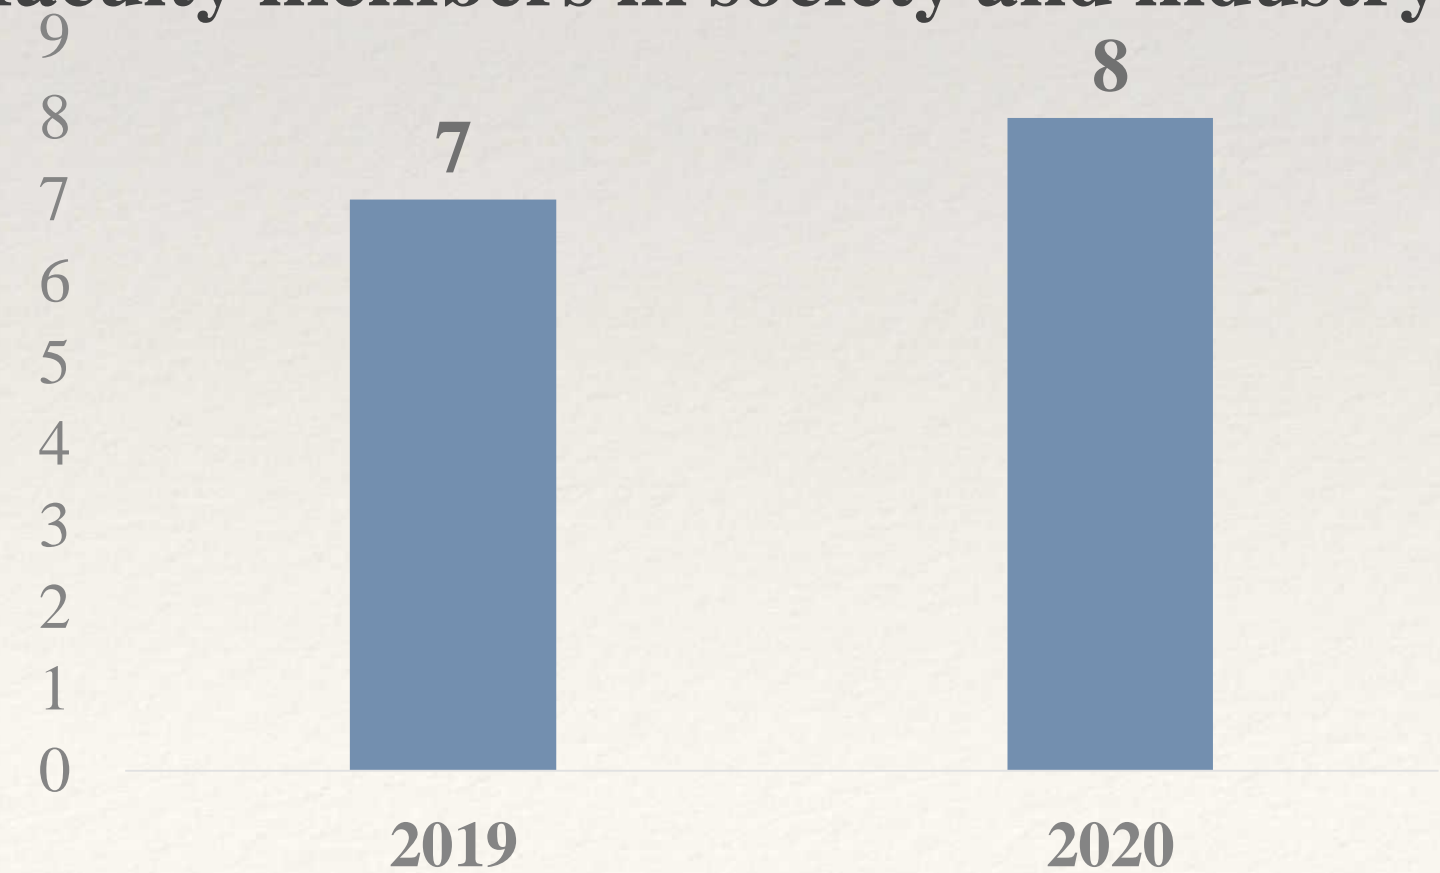

Number of cooperation contracts with the society and industry (ongoing)

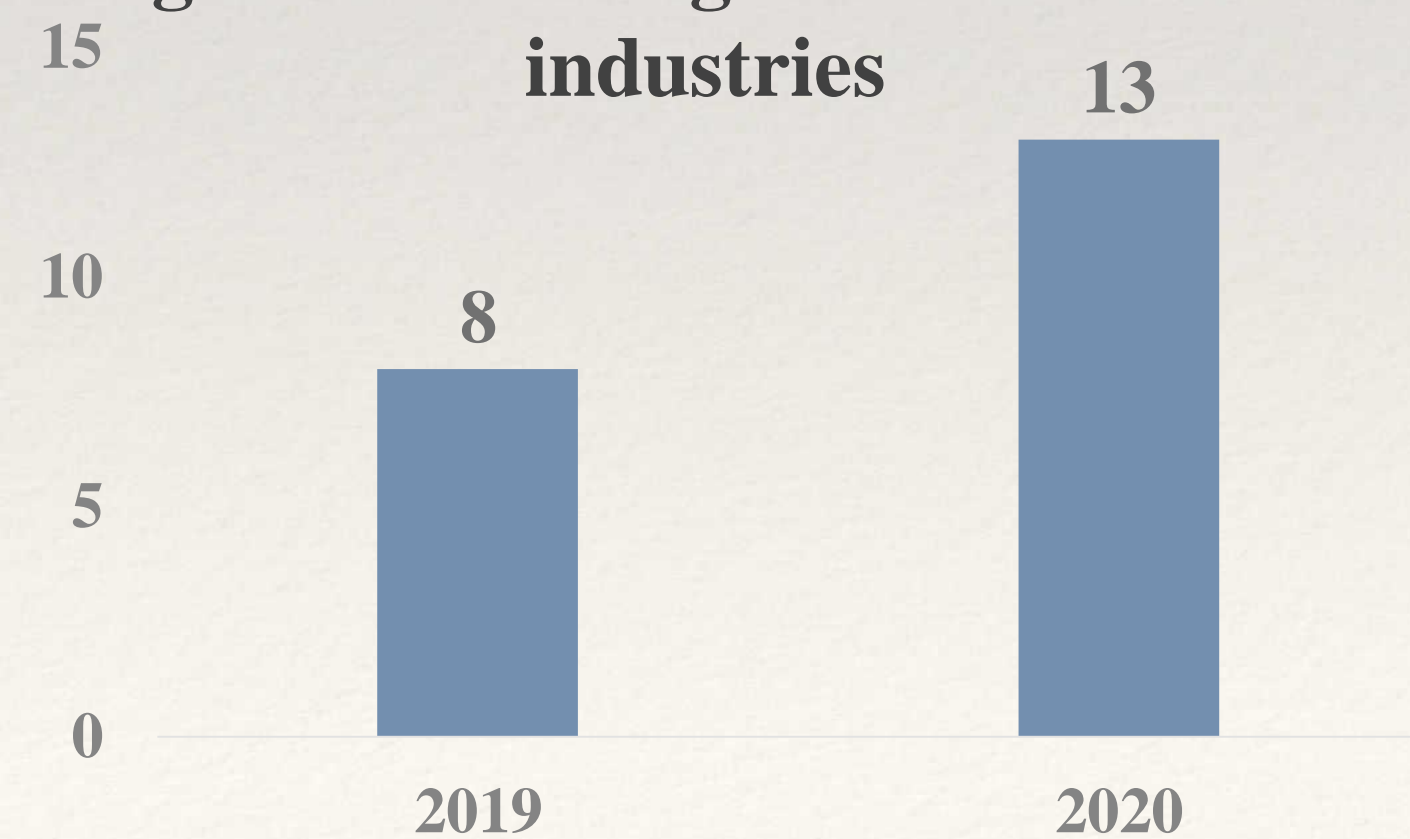

Value of cooperation contracts with society and industry (million Tomans)

Number of study opportunities for faculty members in society and industry

Number of cooperation agreements with government organizations and industries

Knowledge Enterprise and Technology Products

Unmanned Underwater Robots Competition Series

Gear-less Elevator
Permanent Magnet Motor

Radar System
for Mining Wall Monitoring

Ajna Robot (Nursing and Hosting)

Automatic Sedimentation Test
Laboratory Device

Vibration Analyzer Device

Knowledge Enterprise and Technology Products

Solar Water
Desalination Device

3rd Generation Siphon Sediment Trap
and RBNE Model

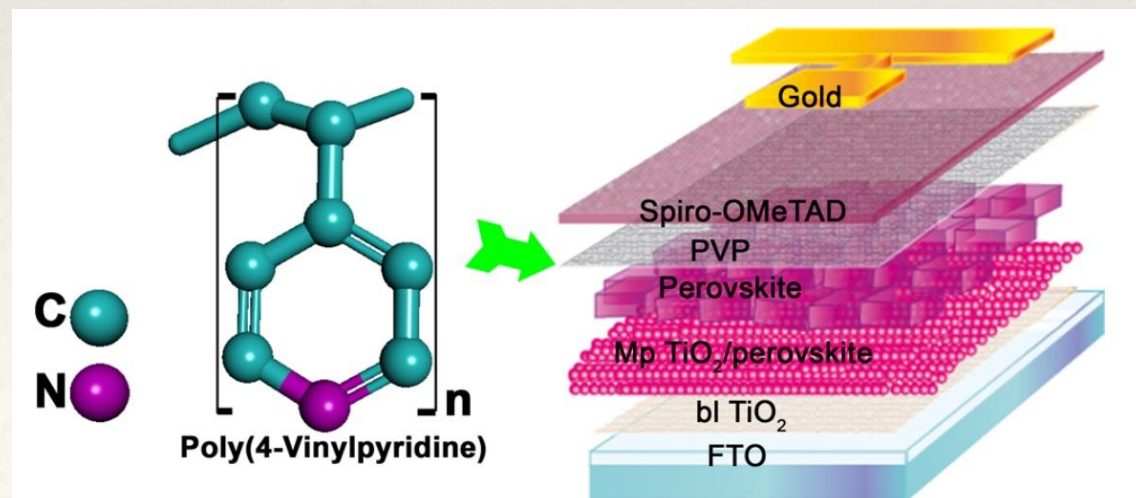

Dust Particles Mass
Analyzer

Solar Panel
Cleaning Robot

Perovskite Solar Cells

National Technology and Innovation Master Plan

“Saffron Aeroponic Greenhouse”

Conference Halls and Sport Facilities
