EXPLANATIONS - SEE :

1) Specified amounts are in TL (Turkish Lira).

2) According to the decision published in the Official Gazette on the Determination of Tuition Fees and Contributions to be Taken as Student Contribution to the Current Service Costs in Higher Education Institutions, due to changes to be made by the competent authorities in the tuition fee/tuition fee table determined by the University Administrative Board, or because of the changes to be made by the competent authorities or the deductions/tuition fees to be determined by the Executive Board, the positive or will be.

3) Among the students who will register within the scope of the Foreign Student Admission Quotas, those whose families and themselves have obtained a residence permit in Turkey; If more than one student from the same family continues their education in associate degree or undergraduate degree in State higher education institutions, a 25% siblings discount will be applied to the tuition fees determined for these students. Candidates in this situation must apply to the student affairs office of the unit they are registered with, with a residence permit and a student certificate belonging to the student who is a family member.
