Bursa Uludağ University reserves the right to make changes to this guide and the announced conditions in accordance with the decisions and/or legislative provisions of the Council of Higher Education (YÖK), the University, and relevant authorities that will come into effect after the publication date of this guide. All applicants and registered candidates are deemed to have accepted these regulations

Any candidate applying to Bursa Uludağ University is deemed to agree to all of the conditions specified in this manual and the [Instruction Of Bursa Uludağ University Student For Abroad Or Foreign Student Application And Admission Procedure](#). [Click here](#) for the Directive.

3- GUIDELINES, FUNDAMENTAL PRINCIPLES AND RULES

3.1. Candidates' own declarations regarding whether they meet the application requirements will be taken into account when applying for the quotas. Applications of candidates who are found to have made incomplete or incorrect statements will not be evaluated. Candidates not meeting the application requirements, and candidates making applications and submitting preferences with misstatements will not be granted any rights even if they are placed in a program.

3.2. During the application, information must be entered into the system without errors, documents must be uploaded legibly and completely, and no changes can be made to the information and preferences. (Each applicant may only apply once. There can be no changes after the preferences are made.)

3.3. During final registration, the authentic and approved copy of the documents must be provided. The applicants who are not able to provide said documents are academically dismissed.

3.4. Candidates who do not meet the application requirements during the application, placement, and registration proces, their registration will cancel at any stage if they are found to have submitted falsified, fake, incomplete, or incorrect documents or information, even if their registration has been finalized as a result..If they graduate, their diploma will be revoked. Tuition fees paid will not be refunded. (BUU reserves the right to pursue legal, administrative, and criminal remedies in such cases.)

3.5. Applications will be made online on the ULUYÖS website and any application submitted in person or via e-mail will not be accepted.

3.6. The conditions of Higher Education Council accepting students from abroad,

A- General Conditions 2.c) item; “The continuation of the practice of applying for foreign student admission quotas within the framework of the criteria determined by the universities in accordance with Article 45/f of the Higher Education Law No. 2547, amended by Law No. 6287, and the Principles Regarding the Admission of Students from Abroad, determined by the Higher Education Council, it is possible to apply for the quota for student admission from abroad; candidates who have obtained a permit and who certify that they have the Certificate on the Exercise of the Granted Rights (blue card), given to their underage children registered on the certificate of renunciation of Turkish citizenship, continued their secondary education abroad before 01/02/2013 and spent the last three years of their secondary education (high school) in a foreign country excluding the TRNC, Türkiye nationals who have completed their high school education or who have completed their high school education in high schools abroad (except T.R.N.C. high schools), Türkiye nationals, and one of their nationalities is Turkish, and also;

i) The continuation of determining student quota for the departments of **Teaching, Law, Medicine and Dentistry**, which accept foreign students and are recommended by the Higher Education Board,

ii) However, according to the procedure and principles, the quota for these candidates in the mentioned fields should not exceed 10%. Candidates possessing the specified qualifications should take this into account when making their preferences.

3.7. The preference applications are made based on the examination types and scores accepted by the Bursa Uludağ University Senate. (Accepted examination types and scores are announced on the ULUYÖS web page.) In case the conditions for conducting the aforementioned examinations and the distribution of scores are deemed insufficient, the University reserves the right to reject/apply coefficient to the scores.

4- . PREFERENCE APPLICATIONS AND EVALUATION OF APPLICATIONS

4.1. Preference applications are made via the ULUYÖS Preference Application System based on the examination type scores accepted by the BUÜ Senate. [Click Here](#) to access the list of examination types and scores accepted by the Bursa Uludağ University Senate. (ANNEX-1)

4.2. Preference applications will be accepted online via the Bursa Uludağ University ULUYÖS web page (<https://www.uludag.edu.tr/en/uluyos>) between **May 25th and June 15th, 2026**. Students will be provided with the opportunity to make 5 (five) preferences, and placement procedures will be conducted starting from the first preference.

4.3. At all stages of placement, priority may be given to foreign students coming from countries whose special circumstances are evaluated.

4.4. Priority may be given to foreign students coming from different countries for the sake of country diversity.

4.5. The equivalence and the suitability of the condition of the exam, type and scores to be used in the admission of international students are evaluated by YDOKK. Candidates' exam scores or secondary school (high school) grade point averages are converted to a 100-point system, with 100 (one hundred) points considered the full mark.

4.6. According to the principles stated in the Higher Education Board's Regulations on Admission of Students from Abroad; candidates who, in accordance with the Turkish Citizenship Law, lose their Turkish citizenship by obtaining permission to renounce Turkish citizenship from the Ministry of Interior, candidates who prove that they hold a blue card given to those who have lost Turkish citizenship upon their request, and candidates who have received their high school education abroad (excluding the Turkish Republic of Northern Cyprus) and are dual citizens with one of the nationalities being Turkish, are eligible for registration in the Dentistry, Law, Teaching, and Medicine programs without exceeding 10% of the quota for these programs.

In case of identical placement scores, the placement is made giving priority to the higher high school graduation score and the youngest candidate. Evaluation and placement in quotas are carried out in the following way: based on the highest score, order of preference, and ensuring that candidates from the same country accepted to a department/program for placement do not exceed 20% of the relevant program's quota in each placement.

4.7. The second placement is conducted among candidates who have not been placed in any department/program from the existing applications; no new preference applications are accepted from candidates.

4.8. If a decision is made to conduct a third placement for the unfilled or vacant quotas, candidates will be notified separately via the ULUYÖS web page, and new applications will be accepted.

4.9. Placements to the departments / programs that are admitted by special talent exams are carried out by the commissions established by the related units.

4.10. During the student selection process, candidates who have earned the right to definitive enrollment will learn about the placement results by logging into the placement result inquiry screen on the Bursa Uludağ University ULUYÖS web page. Candidates may obtain printouts of their acceptance letters from our university's ULUYÖS web page. (Acceptance letters are not sent to candidates via email.)

5- REGISTRATION PROCEDURES

Registration will be carried out in two stages, with online pre-registration followed by definitive registration upon the personal delivery of the required documents. Online pre-registration applications will be made through the ULUYÖS website. Candidates who fail to upload or cannot upload the required documents for online pre-registration during the registration dates, or those who upload incomplete documents, will not be pre-registered. These candidates will be considered to have forfeited their registration rights.

Candidates who have completed their online pre-registration are required to submit the originals of the documents requested for definitive registration, along with the documents they uploaded to the system, to the student affairs of the units they are entitled to register by the announced date, either in person or through a power of attorney given to a lawyer. (If the candidate is under the age of 18, document submission may be made by their parent/legal guardian.)

Candidates who fail to upload the original documents required for pre-registration to the system by the date specified in the 'Placement Results and Registration Procedures Announcement' to be made on the ULUYÖS website will be considered to have forfeited their registration rights. The documents required for registration are listed in Annex-2 of the Guide.

Applicants' own statements regarding whether they meet the application conditions will be taken into account. Applicants who do not meet the application requirements or who make incorrect statements during the application and preference process, even if they have been placed/enrolled, will not be entitled to any rights as a result of this situation.

Individuals who do not have a legal right of residence in Türkiye cannot be enrolled in university. The status of whether candidates have a legal right of residence in Türkiye (visa/residence permit) is evaluated within the scope of legislation determined by relevant Ministries and the Presidency of Migration Management. **If it is determined that candidates do not have a legal right of residence in Türkiye, their registrations will be cancelled, and no refunds will be provided to these candidates.**

The responsibility for preparing all required documents for registration and visa/residence permit procedures lies solely with the candidate. **The University is not obliged to provide any assistance regarding these processes.** Candidates are required to complete the procedures for obtaining a residence permit (visa/residence permit) within the time frames determined by the competent authorities. It is the responsibility of candidates to monitor the residence permit processes. Payments made by candidates for registration will not be refunded if they fail to submit the necessary documents within the specified timeframes, resulting from the inability to obtain a residence permit.

After registration, the relationship between the university and students who are found to not meet the application conditions, who have applied with misleading information or documents, or who have errors in their information and documents will be terminated. In this case, contribution fees and tuition fees will not be refunded for students who have made online pre-registration payments but have not enrolled, or who have enrolled and voluntarily deleted their registration.

The contribution and tuition fees to be collected from foreign students are determined by the university board of management, provided that they remain within the minimum and maximum limits in accordance with the relevant legislation provisions of the "Decision on the Determination of the Current Service Costs and Tuition Fees" published annually in the Official Gazette of the Republic of Türkiye.

The amount of tuition fees/contribution fees that candidates admitted to the international student admission quotas for the 2026-2027 Academic Year must pay during online pre-registration for the 1st semester (Fall Semester) is as follows:

If the Decision Regarding the Determination of Contribution Fees and Tuition Fees to be Taken as Student Contributions for Current Service Costs in Higher Education Institutions for the 2026-2027 Academic Year is published during or after the online pre-registration dates, the contribution fees/tuition fees for the Fall Semester specified in the table announced according to the Decision published in the Official Gazette for the previous year will be charged.

For the 1st semester (Fall Semester) contribution fees/tuition fees for the 2026-2027 academic year, any positive or negative difference in the contribution fees/tuition fees determined by the Board of Directors of our University among the contribution fees/tuition fees for the 2026-2027 academic year, which will be in effect upon publication in the Official Gazette according to the Presidential Decision "Decision on Determining the Contribution Fees and Tuition Fees to be Taken as Student Contributions for Current Service Costs in Higher Education Institutions for the 2026-2027 Academic Year", will be collected along with the following Spring semester contribution fees/tuition fees. (Any positive or negative differences due to changes made by the competent authorities in the Decision to be announced, or due to the contribution fees/tuition fees determined by the Board of Directors, will be collected along with the following Spring semester contribution fees/tuition fees.) The amounts of Contribution Fees/Tuition Fees are announced to candidates on the ULUYÖS website.

Candidates must also declare, by signing the Financial Status Declaration Form during online pre-registration, that they have sufficient financial means to continue their higher education in our country and to support themselves financially.

According to the legislation and decisions that will come into effect after the publication date of the Guide, Bursa Uludağ University has the authority to make changes. All applicants and enrolled candidates are deemed to have accepted the obligation to comply with these regulations.

6- FINAL PROVISIONS

Communication between the Bursa Uludağ University Overseas or Foreign Student Selection, Placement, and Admission Commission (YDOKK) and candidates is conducted electronically in Turkish and English languages via the email address yos@uludag.edu.tr. The email address provided by the candidates during the preference application process must be current and accurate. Each candidate should use only one email address. Correspondence/transactions should not be conducted on behalf of other candidates using this email. After the candidate number is assigned, it is mandatory to specify the "Candidate Number" in all correspondence with Bursa Uludağ University. Petitions/applications without a Candidate Number will not be processed. Correspondence and notifications with candidates are considered official notifications. Candidates are required to regularly check their email addresses throughout the entire calendar process. The University is not responsible for any disruptions during communication.

Bursa Uludağ University is free to fill or not fill the announced quotas. Meeting the required conditions for application does not guarantee acceptance.

For residence permit procedures, candidates are required to make an online residence permit application through the Presidency of Migration Management website and submit the required documents in person or through a power of attorney given to a lawyer to the **Directorate of Student Affairs International Student Unit**. Residence Permit Documents and Information are available on the ULUYÖS website.

International students who have entered or will enter our country are required to obtain the General Health Insurance (GHI) from the Social Security Institution (SGK) during university registration. Students covered by GHI should pay the necessary premiums to the SGK Presidency and add the GHI Certificate to the school registration and residence application file. Detailed information regarding the implementation will be announced on the ULUYÖS website.

According to the decision taken by the Executive Board of the Council of Higher Education (YÖK) on 13.03.2024 with the decision number 15951:

a) In accordance with the decision that international students can change the university they are registered in only once within the same academic year, candidates who will apply for preference or have already applied should consider this and make their preference application accordingly. The university reserves the right to evaluate the preference applications of candidates in this situation and delete their registrations. If the registrations of candidates in this situation are deleted, the contribution fee/tuition fee paid will not be refunded.

b) International students whose enrollment is not renewed for two consecutive years in four year programs or one year in two years programs and who fail to pay the tuition fees may have their registration terminated by the decision of the relevant department's board of directors. If the registrations of candidates in this situation are deleted, the contribution fee/tuition fee paid will not be refunded.

The duration of the Preparatory Class (Turkish or Foreign Language) is 2 years, and the registrations of candidates who fail to complete it within this period will be deleted. If the registrations of candidates in this situation are deleted, the contribution fee/tuition fee paid will not be refunded.

Bursa Uludağ University has the authority to make changes to all announced dates and conditions related to preference applications, registration procedures, contribution fee/tuition fee amounts, etc. All notifications regarding the procedures to be carried out, newly taken decisions, information about necessary changes, and principles regarding implementation will be announced to the candidates through our university's official communication channel, the ULUYÖS website. Any information or sharing made outside of this official channel should not be relied upon. All changes and announcements made on the ULUYÖS website are considered official notifications to the candidates.

The university's official email address is yos@uludag.edu.tr Candidates are required to monitor their email addresses and announcements made on the ULUYÖS website. Additionally, candidates will not be notified via postal mail. Candidates are responsible for any loss of rights that may occur due to failure to follow announcements.

Applying for foreign student admission quotas implies the acceptance of all the provisions outlined in this **Guide** and **Directive** on Bursa Uludağ University's Admission of International Students available on the ULUYÖS website.

The information, explanations, and rules stated in this Guide may be subject to change in accordance with decisions made by the Bursa Uludağ University Senate/Board of Directors and/or the Council of Higher Education (YÖK) and other official institutions after the publication date of this Guide. In such cases, the procedures to be followed will be determined by the YDOKK. In cases not specified in the Directive and Guide, decisions will be made by the YDOKK based on the directives given by the ULUYÖS Coordinator.

Having applied to the Student Admission from Abroad Quotas at your university, I have gained the right to register Faculty/Vocational School
..... Department/Program.

The student is personally responsible for following up the registration renewal procedures and related announcements, paying the contribution/tuition fee, re-registration, and course selection procedures.

I know and accept that it is stated that the students who are placed in the student admission quota from abroad must pay the contribution/tuition fee and that the said fees are **determined and updated by the University Administrative Board and that the amounts to be determined change every year in accordance with the "Decision on the Determination of the Contribution to the Current Service Costs in Higher Education Institutions and the Tuition Fees" that published every year in the Official Gazette.**

The Fall Semester Contribution in the Contribution/Tuition Fees table is determined by the Board of Directors according to the Decision published in the Official Gazette for the previous year, if the Decision on the Determination of the Tuition Fees and Contributions to be Taken as Student Contribution to the Current Service Costs in Higher Education Institutions is published on the registration dates or after the registration. I accept that the positive or negative differences due to the changes to be made by the competent authorities in the decision to be announced or the contribution/tuition fees to be determined by the Board of Directors will be taken together with the contribution/tuition fee in the following Spring Semester.

I know and accept that students are required to complete course selection procedures after depositing the contribution/tuition fee, in cases where it is compulsory according to the legislation, within the periods specified in the academic calendar accepted by the University Senate.

I declare and undertake that I have the financial means to continue my education in Türkiye.

I hereby submit for your information.

Note: Candidates are required to attach one of the following documents to their Financial Status Document and Statement in order to prove that they have financial means. 1- Bank Statement of the last 1 month showing that the candidate or his/her guardian has money equal to the one-year contribution/tuition fee determined for the Faculty/Vocational School for which he/she has the right to enroll in a bank account.
